CENTRAL BOARD OF SECONDARY EDUCATION

To

**The Principal/Centre Superintendents,
Schools fixed as Examination Centres by the Board,
Board Examinations-2024-25**
(Through Regional Offices of the Board)

Subject: Centre Guidelines - 2024-25.

Dear Principal,

Annual Board Examinations for Session 2024-25 are scheduled to be conducted by the Board from 15/02/2025 till 04/04/2025.

Every year, extensive guidelines are issued by CBSE for the conduct of Board examinations. Accordingly, for Annual Board Examinations for Session 2024-25, the **“GUIDELINES FOR CENTRE SUPERINTENDENTS, DEPUTY CENTRE SUPERINTENDENTS, ASSISTANT SUPERINTENDENTS, CITY COORDINATORS, DEPUTY CITY COORDINATORS AND OBSERVERS”** are being issued. There are many updations which have been done based on past experience.

As you will be conducting the examination of nearly 42 Lakhs students of Classes X and XII during the schedule as mentioned in the date sheet, hence, all the schools need to prepare well for the smooth conduct of examinations. Such mega examinations can only be conducted successfully when all concerned functionaries follow and adhere to the guidelines issued in this regard. Guidelines can only be implemented when you are well aware of the same.

Therefore, it is requested that the Guidelines be read and understood carefully in such a manner that you can decide on any issue of examination immediately and correctly when placed before you.

You would agree with me that it is not the examination of the students only but of ours also. The result of our preparation will be in the form of the successful conduct of examinations. The Board has full faith in you and your preparations and confident that you would not leave any stone unturned to secure hundred percent in this examination of yours and ensure that students' examinations are conducted with absolute success.

Good Luck!

The principal will remain present at the examination centre to ensure smooth running of the centre to support and resolve any issues the CS may face related to the conduct of the examinations starting from collection of Question papers to despatch of answer books to the concerned regional office. Further, any advance as received needs to be disbursed to the outside Centre Superintendent as and when required.

- The principal acts as a liaison between the outside examination centre superintendent and the school. They ensure that all communication about examination schedules, materials, and requirements is clearly understood and acted upon by the school staff.
- Any updates or changes to the examination process should be communicated by the principal to the relevant school staff and students.
- They may also need to address any issues or grievances that arise from students or parents.

iii. Support for Examination Centre Superintendent

- The principal helps the outside Centre Superintendent by providing any necessary support, whether it's related to school infrastructure, organizing school staff for assistance, or overseeing the implementation of guidelines.
- They ensure that the outside Centre Superintendent has access to school resources, such as staff for invigilation or supervision, if needed.

iv. Overseeing School Operations During the Examination

- The principal remains responsible for the day-to-day operations of the school, including the management of non-examining students, teachers, and staff during examination days.
- This could involve rescheduling classes or other school activities to accommodate the examination timetable.

v. Maintaining Discipline and Order

- While the external centre superintendent will directly handle the examination, the principal is still responsible for maintaining discipline on the school premises, ensuring that students follow the rules, and that no disturbances arise during examination periods.
- They may assist with the organization of any student-related issues, complaints, or queries, referring them to the outside centre superintendent when appropriate.

7.1 CUSTODY OF QUESTION PAPERS

As centre superintendent the most sensitive work of handling confidential material is done hence, all care should be taken when handling the question papers. The following important guidelines should be read and understood in details for handling a task of such sensitive nature:

- The sealed bags containing sealed cloth parcels of question papers shall be supplied by the Controller of Examinations, CBSE to the Nationalised Bank/Treasury Office or any other Officer Designated by him, who shall be responsible for their safe keeping from the time of taking delivery of the parcels till they are delivered to the Centre Superintendent concerned on each day of examination, as per date sheets of examinations. (Also refer to Appendix - A for Duties and Responsibilities of the Bank Manager/Treasury Officer/Principal/Centre Superintendent)
- Examinations will also be conducted on the dates falling on the 2nd and 4th Saturday (bank holidays) during the date sheet. The custodian will ensure that the question paper canvas bag(s)/parcel(s) for the examinations falling on 2nd and 4th Saturday are delivered to the Centre Superintendent as per the date sheet without fail, like on regular days. In 2025, the 2nd and 4th Saturdays would be as given below-

MONTH	2 nd Saturday	4 th Saturday
February - 2025	-	22nd February, 2025
March - 2025	8th March, 2025	22nd March, 2025

Dates of the examination falling on the 2nd and 4th Saturday shall be informed to the custodian well in advance to ensure proper arrangements.

- Dispatch of the question papers will be in 03 lots. Accordingly, you will be requested by the custodian to verify the question papers thrice.
- In case of Regional Office Delhi (East) and Delhi (West), verification will be done by both the centre superintendent and the officials of CBSE as per the information given to them by the Regional Director/ Officer concerned from time to time.
- On receipt of the sealed bags {exception Regional Office Delhi (East) & (West)}, the custodian will inform the Centre Superintendent about the receipt of the bags of question papers and request to verify the quantity of the Question Papers.
- Verification will only be done by the Centre Superintendent. Also please note that delivery of the question papers will only be taken by the Centre Superintendent. In no case, any other Official (Vice Principal, Sr. PGT, Office person etc.) be deputed to take the delivery of the question papers from the custodian.
- At the time of verification of the confidential material at the place of the custodian, Centre Superintendent should arrange all sealed canvas bags serially. Thereafter, each canvas bag will be opened and material inside the bag will be verified with the help of receipts kept inside one

of the canvas bags in the presence of the Custodian. Then, this material will be kept in the same canvas bag from which it has been taken out for verification.

- After verification, the canvas bag would be kept under safe custody in the locker with the custodian.
- You will find special plastic interlock strip(s) kept inside the canvas bags. The number of interlock strips would be one more than the number of dates whose material has been kept in the canvas bag. This means thereby, if the material of two dates of examination has been kept in the canvas bag, then you would find three special interlock strips.
- The serial number i.e., 1, 2, 3 and so on shall be printed on the strips which would be used to pack the bag again. For example, '1' marked strip should be used for packing the bag on the day of verification of material. Similarly, the same procedure should be adopted for the rest of the canvas bags.
- The number-wise strips packed would be as follows:

Event	Special Plastic Interlock Strip Number
After verification	'1'
1 st Date of Examination	'2'
2 nd Date of Examination	'3'
3 rd Date of Examination	'4'
and so, on	

- Once the material list is checked and kept in canvas bag, the bags should be sealed with the help of a special plastic interlock strip marked '1'.
- The rest of the strips will be kept again inside the canvas bags.
- On the day of examination, the bag will be opened in front of the Custodian to take out the materials of that date of examination. After handing over the material, the bag will again be sealed with the help of a plastic interlock strip marked '2' on the 1st Date of Examination and the process will be repeated if required.
- Kindly note that the canvas bag may carry cloth parcels of more than one date of examination.
- Please ensure repeating Steps mentioned above after taking out the cloth parcel of the relevant date of examination on each day of opening the canvas bag.
- In case of any issue, the bag will be sealed with sealing wax in the presence of the custodian and the Centre Superintendent.
